

Central Division Tournament Recap

Stillhouse Hollow 10/13/18 By Leisha Loggains

Due to weather had to move lakes -

Due to weather the Central folks voted to move the tournament from Travis to Stillhouse. We will flip flopped the lakes, so Travis will now be fished in March! We had 9 teams brave the rain and wind to bring 23 fish to the scale. Bob and Mike left the Central Teams in the wake of their 11.24-pound sack! They used a 10" brown worm in shallow trees to catch their three-solid fish (they culled four times)! They also used green/pumpkin magic with dipped tails in shallow waters -they also caught the Big Bass of 5.94 pounds – Way to go Guys! Second place team of Michael and Ron used shite and chartreuse spinner baits and tequila sunrise worms in shallow water to bring their limit of 3 for 5.89 pounds.

LAKESIDE DEVO

Earl brought our devotional from Experiencing GOD Day – By – Day

No Secrets

“For nothing is secret that will not be revealed, nor anything hidden that will not be known and come to light. “ Luke 8:17

One of Satan’s subtle deceptions is that you can do things in secret that will never be revealed. This is simply not so. The Bible stresses that EVERYTHING done in darkness will one day be brought to light. SO before you commit yourself to do anything questionable, seriously ask yourself, “Am I willing for those around me to know what I am about to do? Am I willing for God to watch me participate in this activity?”

The knowledge that God sees what we do, the certainty that we are accountable for every word and action, ought to dissuade us from sin, (2 Corinthians 5:10 - ¹⁰For we must all appear before the judgment seat of Christ, so that each of us may receive what is due us for the things done while in the body, whether good or bad.) But we can become so alienated from God that even this knowledge does not deter us. God promises that He will publicly expose our sin so that we must give an account to others for our actions. Ultimately, everything we do will be exposed on Judgement Day.

Still, some people believe they can sin against God, their families, their employers, or their friends and never be discovered. God has provided a safeguard against sin; the certainty of disclosure. Scripture commands us to expose the deeds of darkness as we become aware of them (Ephesians 5:11- ¹¹Have nothing to do with the fruitless deeds of darkness, but rather expose them.) As Christians we are to be the light that dispels darkness in our world. Sin cannot continue in the Christian’s experience, for light cannot dwell with darkness. The only insurance against having your sins exposed is living a blameless life.

LAKESIDE DEVO

Earl brought our devotional from Catch of the Day (Jimmy Houston)

Romans 11:5 – There are a few people that God has chosen by his grace.

In November 2004, America chose its president. They chose one of my fishing friends, George W Bush. Long before America re-elected George W Bush; long before his dad was president; even long before I first met George W. in Pine Bluff, Arkansas, when his father was the vice president, God chose George W. Bush. He chose him for something much greater being than president of the United States. God chose him to be saved from hell to be with Him in Heaven. Chosen by God's grace. We need only to accept that grace, so freely given. Our president has accepted that grace. I have accepted it. Have you?
